

Symposium Committee

Symposium Chairman

Prof. Somnuk Tangtermsirikul, SIIT, Thailand

Advisory Committee

Prof. Hiroshi Yokota, Hokkaido U., Japan – President of ACF
Prof. Kyuichi Maruyama, Nagaoka University of Technology –
President of JCI, Japan
Prof. Chai Jaturapitakkul, KMUTT, Thailand - President of TCA
Prof. Caijun Shi, Hunan University, China
Prof. C.S. Poon, The Hong Kong Polytechnic University, Hong
Kong
Prof. Yin-Wen Chan, National Taiwan University, TCI, Taiwan
Mrs. Narantuya Batmunkh, Vice president of MCA, Mongolia
KCI, Korea
ICI, India
VCA, Vietnam
CIA, Australia

Scientific Committee

Chuchai Sujivorakul, KMUTT, Thailand
Thanakorn Pheeraphan, NKRAFA, Thailand
Raktipong Sahamitmongkol, KMUTT, Thailand
Pitiwat Wattanachai, CMU, Thailand
Peerapong Jitsangiam, CMU, Thailand
Baochun Chen, China
Yunsheng Zhang, China
Jian-Guo DAI, The Hong Kong Polytechnic University, Hong
Kong
Kohei Nagai, The University of Tokyo, - SIP, Japan
C.C. Yang, TCI, Taiwan
Ganbaatar, MCA Secretary, Mongolia
KCI, Korea
ICI, India
VCA, Vietnam
CIA, Australia

Local Organizing Committee

Somnuk Tangtermsirikul, SIIT, Thailand –Chairman
Pakawat Sancharoen, CONTEC, SIIT, Thailand
Ganchai Tanapornraweekit, CONTEC, SIIT, Thailand
Chayanon Hansapinyo, CMU, Thailand
Teewara Suwan, CMU, Thailand
Nattapong Makaratat, KMUTNB, Thailand
Warangkana Saengsoy, CONTEC, SIIT, Thailand - Secretariat

Registration Fee

Category	Payment before Sep 30, 2017	Payment after Sep 30, 2017
Individual	USD 360	USD 410
ACF member	USD 300	USD 350
Student	USD 200	USD 250
Accompanied person*	USD 150	USD 180

(*) Registration fee covers welcome reception, all lunches and refreshments, a complimentary banquet

Payment method:

Registration fee must be paid online by major credit cards (VISA, Mastercard, AMEX, JCB, and Unionpay) through symposium website.

The 2nd ACF Symposium 2017

“Innovations for Sustainable Concrete Infrastructures”

23-25 November 2017
Chiang Mai, Thailand

Organized by

<http://www.acfsymposium2017.com/>

About ACF

Asian Concrete Federation (ACF) was officially established since 2004 along with the recognition of the growth of the Asian Region. It is certain that a tremendous amount of research and practical information as well as new technologies are now spreading within this region. The Asian Concrete Federation was officially inaugurated at the 1st ACF International Conference organized by Thailand Concrete Association in Chiang Mai in October 2004. The ACF International Conferences were held every 2 years since 2004 in various countries of Asia and have been well functioned as the venue for information exchange as well as for many other activities such as technical meetings of related committees and social meetings of participants, etc.. During the 6th ACF Conference, held in Seoul, South Korea in 2014, it was decided to organize ACF Symposium in alternate years to the ACF Conference. The 1st ACF Symposium on Ultra High Performance Concrete was held in Kolkata, India in October 2015. In 2017, the 2nd ACF Symposium is scheduled to be held in Chiang Mai, Thailand on 23 to 25 November 2017 hosted by the Thailand Concrete Association (TCA) together with the Construction and Maintenance Technology Research Center (CONTEC), Sirindhorn International Institute of Technology (SIIT), Thammasat University and Faculty of Engineering, Chiang Mai University. To unite the expanding construction industry of Asia with the environmentalism-conscious design and sustainability, we would like to extend our invitation to all of you to participate in this meaningful symposium and to welcome all of you back to the land of smile, Thailand, where ACF was firstly officially established.

Themes and Topics

- **Sustainability Design**
Durability design, service life design, life cycle design, design considering environment, etc.
- **Sustainable Materials for Concrete Construction**
Concrete, cement, cement replacing materials, aggregates, admixtures and other additives for sustainable construction.
- **Sustainable Construction Techniques**
New construction considering sustainability
- **Sustainable Technologies for Maintenance**
Sustainable technologies for inspection, testing, intervention, maintenance planning, repair materials, etc.
- **Codes, Standards and Concepts for Sustainable Concrete Construction**
- **Related Topics**

Important Dates

Last date of Abstract Submission: February 28, 2017
Notification of Abstract Acceptance: March 15, 2017
Deadline for Full Paper Submission: June 30, 2017
Notification of Full Paper Acceptance: August 31, 2017
Deadline for Early Bird Registration: September 30, 2017
Symposium Dates: November 23-25, 2017

Call for Papers

Authors are invited to register and submit abstracts online through the symposium website <http://www.acfsymposium2017.com/> by February 28, 2017

Symposium Format

The official language of the symposium is English. The symposium will include keynotes, plenary sessions, technical sessions & exhibitions. Manuscripts submitted for presentation will be peer-reviewed by Scientific Committee for being published in the symposium proceedings. Abstract will be published in hard copies and the full paper will be provided in USB flash drive.

Symposium Information

Regarding to any announcements as well as symposium venues, details schedule, paper templates, submission procedure, registration method, and other information related to this symposium, please visit our website or contact the symposium secretariat.
